THE OVERCOMER

the 1990s, the incidence of *S. flexneri* infections in the United Kingdom has increased, and the incidence of *S. flexneri* infection in the United States has increased in the 1980s and 1990s [10].

There is a paucity of data on the incidence of *S. flexneri* infection in the United Kingdom. The only study of the incidence of *S. flexneri* infection in the United Kingdom was conducted in 1980, and reported an incidence of 1.2 cases per 100 000 per year [11]. The incidence of *S. flexneri* infection in the United Kingdom has not been reported since 1980.

The purpose of this study was to determine the incidence of *S. flexneri* infection in the United Kingdom in the 1990s. ANCIENT LANDMARKS

"Remove not the ancient landmark, which thy fathers have set."

Proverbs 22:28

God instructs us as Christians to remove not the ancient landmarks. Many people have been instrumental in establishing a foundation upon which we can build our lives. Landmarks such as freedom, education, leadership and opportunity were brought about by the labor, sacrifice and love of our fathers. We, as students of Hammond City Baptist School, must realize our rich heritage.

Mr. Bob Ledford works diligently as he strives to give his fifth and sixth graders a good education. He not only teaches the class as a whole, but reaches out to each individual.

The juniors and seniors study the lives of many of the early poets in America. They not only study the life of each poet, but endeavor to understand the inspiration behind the writing of each poem.

Johnny Molina displays the American flag, as we are reminded of our freedom in America.

Hammond City Baptist School is under the leadership of men who uphold that position in prayer.

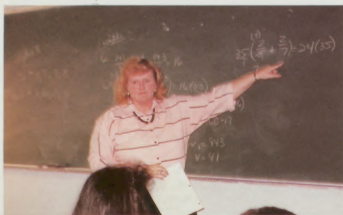

Isabel Mendoza helps Veronica Oviedo as she cuts out her dress during home-economics. Claudia works on her dress made of pink chiffon.

LANDMARK OF FREEDOM

America is known as a land of freedom. We have the freedom of worshipping God together, and the freedom of faith as an individual.

America's freedom gives us the right to educate our own as we believe God would have us to do. In Hammond City Baptist School, we have an education built around the Bible. This is the standard upon which all classes are taught.

LANDMARK OF EDUCATION

LANDMARK OF LEADERSHIP

Strong leadership has played a vital part throughout America's history. God has blessed our school with outstanding leaders. Men who lead both spiritually and academically.

We have many new opportunities before us. The opportunity to learn new skills, to see the beauty of America through candy sales, and to have some old-fashioned fun.

LANDMARK OF OPPORTUNITY

LANDMARKS OF AMERICA

I LOVE AMERICA

I love Thanksgiving when we pray,
And July 4th and Labor Day
With picnics, ants, and hungry flies,
And barbecue and hot French fries,
With Cokes and chips and apple pies
Beneath some hazy, lazy skies.

I love Miami's royal palm
That oozes forth a healing balm
Beside the ocean's quiet calm.

And Betsy Ross, and Orville Wright,
And dear Ben Franklin's flying kite;
And Thomas Jefferson's mighty quill,
And Alamo, and Bunker Hill,
And Paul Revere's midnight ride,
And Wilbur Wright's successful glide.

I love United's friendly skies;
And baseball when the umpire cries,
"Play ball!" as thousands quietly rise
To turn their moistened sober eyes
Toward waving flag that proudly flies.

And Casey Stengel's Stengaleze,
And Dairy Queen, and Tastee Freeze,
And cotton candy at the zoo;
And corny dogs and Big Macs too;
And Burger Kings, and shopping malls,
And hockey pucks, and basketballs.

And Mississippi's cotton fields,
And Holland, Michigan's spinning wheels;
Monotonous Midwestern plains,
Florida's sun, Seattle's rains.

Atlanta's lovely, dogwood trails,
And Santa Fe's long clicking rails.
I love the Rocky Mountain peaks
Beneath a sky which mutely speaks;

And Disney World, and Disney Land,
And Georgia's fertile blood-red sand:
The Mississippi, and Rio Grande;
Wisconsin's cheese and dairy land.

I love McDonald's chocolate shakes,
And Minnesota's thousand lakes;
The Royal Gorge's mighty yawn,
A sleepy Alabama dawn;
The harvest moon that shineth on.

I love to gaze at Yellowstone
While licking on an ice cream cone;
And Howard Johnson's Motor Lodge;
And Ford, and Chevrolet, and Dodge.
I love the stately Empire State,
And San Francisco's Golden Gate.

I love St. Louis' friendly arch,
The Statue of Liberty's burning torch,
The Washington Monument's prickly goad,
And Colorado's trail ridge road.

I love "My Country, Tis of Thee,"
Oh, blessed land of liberty.
Long may our glorious land be bright,
With freedom's wondrous holy light,
Protect us by Thy matchless might.

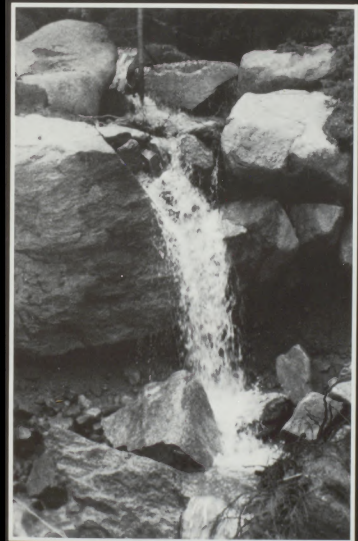

I love to stand with hand o'er heart
And think of those who did their part,
Who left a mom a lone gold star,
Whose bodies rest 'neath fields afar.

I love New England's rolling farms,
Its quaint decor and blushing charms.
I love the azalea's freshened blooms,
East Texas' roses sparkling plumes.

I love it when my church choir sings,
And know the peace that worship brings.

There beats within my breast a dream
That that small faint and flickering gleam
Will soon become a mighty flame
To spread to all His matchless name:
That those dear four who call me "Dad"
Will know the country I have had;
Where freedom's flag flies proud and high,
And those dear ones may loudly cry,
"I'm free! My dad helped make it so.
That faint small gleam is now aglow!
That Christian land that he once knew
Is now the kind that we know too!
God's judging hand has now been stayed,
So I and mine are not afraid,
For churches like our own abound
In every city, village, town!
We're free to witness, visit, teach
The same dear truths we heard Dad preach!
And now we vow to God above
To pass it on to those we love."

Dr. Jack Hyles

DEDICATION

Randy Ericson

Bro. Hyles has taught us, "Happy is the man who has a friend. Happier is the man who is a friend. Happiest is the man who has a friend and is a friend."

Randy Ericson must be one of the happiest men on the face of this earth. Recently I told Randy Ericson, "Everyone who has the privilege of getting to know you feels as if you are his friend." Therefore, Randy Ericson has many friends because he has shown himself

friendly to so many people.

When I say Randy Ericson has shown himself friendly, I do not mean he has just been cordial and kind, even though he has been that; but I mean he has gone beyond the bounds of friendliness. As common as sleeping, eating, breathing, and walking are to some people, responding quickly to the needs of others is characteristic of Randy Ericson.

"His lord said unto him, Well done, thou good and faithful servant: thou has been faithful over a few things, I will make thee ruler over many things: enter into the joy of thy lord."

Matthew 25:21

On the long list of those who have been graced by Randy Ericson's friendship is City Baptist School. Randy Ericson has been a true friend to city Baptist School in every sense of the word.

Bro. Randy, we the administration, faculty, staff, and student body of City Baptist School want to say that we love you, admire you, respect you, and appreciate you; and with the dedication of this book to you, we want to honor you. Realizing that you are deserving of more honor than we can bestow, we hope that our Lord will add His warmth and love to your heart.

Dr. Ray Young

Randy Ericson teaches his class every Sunday morning. It is hard to tell who enjoys the class more, Bro. Randy or his junior age boys.

Randy Ericson is a great man. He will never be nationally recognized as such because society does not recognize greatness. Randy Ericson is a servant who is capable of leadership. He is simple, yet capable of profundity. He is kind, yet possesses convictions. He is loveable, he is courageous, he is in every way a true friend. He is a wonderful example of the Bible truth that the servant shall be the greatest.

Dr. Jack Hyles

With the many duties and responsibilities that Randy Ericson has, Bro. Randy still finds time to help at City Baptist School. His dedication does not go without notice.

ADMINISTRATION

And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever.

Daniel 12:3

Dr. Jack Hyles means so much to the staff, faculty, and students of Hammond City Baptist School. Had it not been for the love and burden shown by Dr. Hyles, our school would not be in existence today.

During a time of many decisions, Dr. Hyles chose to keep the buskids of First Baptist Church. His sacrificial life has led many a buskid to a life of service for God.

Dr. Jack Hyles is more than the Superintendent of Schools, he is our Pastor.

SEVENTH GRADE

It has often been said that the junior high years are the most important years in a student's life. These are the years in which many students decide what kind of young people they want to be. It is a changing time. Many will choose the kind of friends they feel comfortable around. The seventh grade class of Hammond City Baptist completed an excellent year. Many of the students were involved in all that the school had to offer.

FAMILY REUNIONS

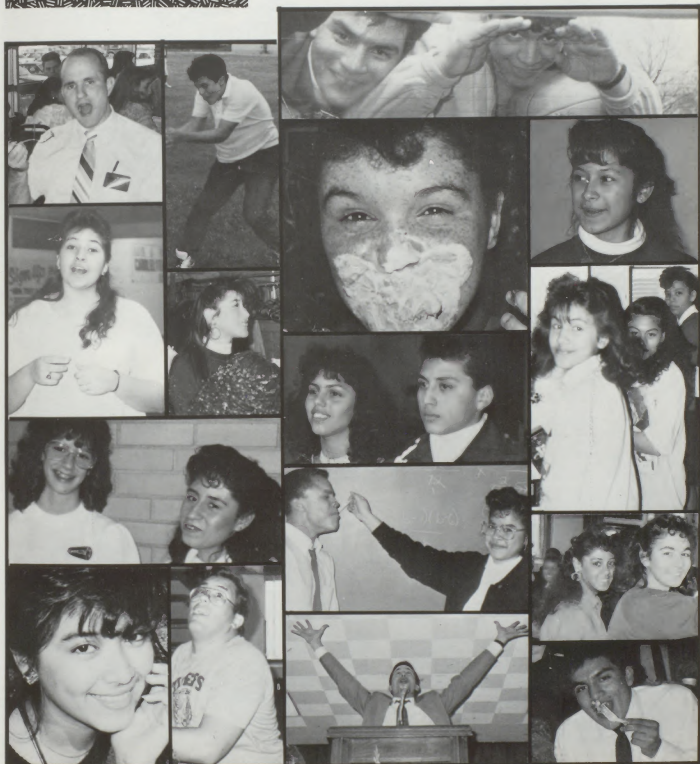

When the students of Hammond City Baptist think of the Best Year's Club, they think of family reunions. Twice a year, the folks in the Best Year's Club visit our school. In November, they prepare a Thanksgiving feast for the students of our school. A Valentine's love luncheon is prepared especially for them in February. Our year would not be complete, without a visit from these dear people.

The Soul-Winner's Fire Club was started to help our City Baptist students be more accountable to our Lord's command to win souls. We meet twice each week to pray for the lost, share exciting stories of people trusting Christ as their Savior, and turn in written reports of their progress. Club members receive membership cards and certificates for faithfulness. Members are required to go soul winning a minimum of one hour weekly. The only ability they need is availability.

DRILL TEAM

"I pledge allegiance to the flag of the United States of America, and to the republic for which it stands; one nation under God, indivisible, with liberty and justice for all."

Although patriotism is not offered as a class at Hammond City Baptist, it is taught. The Drill Team is designed to represent the love and devotion one should have for his country. We believe that freedom was bought with the blood of patriots. We believe that the American flag is more than just a piece of cloth. It represents the freedom that God has given to us. Each year the Drill Team participates in numerous events. They have participated in the nation-wide Pastor's School for the past two years. They take part in banquets throughout the year, and help in the Memorial Day service held at Memory Lane. We are proud of our young men who participate in the Drill Team.

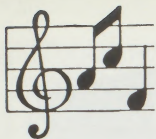

That is all it is — just a piece of cloth. But when a little breeze comes along, it stirs and comes to life and flutters and snaps in the wind, all RED, AND WHITE, AND BLUE! And then you realize that no other piece of cloth could be like it!

It has your whole life wrapped up in it — the meals you eat; the time you spend with your family; the kind of things your boy and girl learn at school; the strange and wonderful thoughts you get in church on Sunday.

Those stars in it — they make you feel as free as the stars in the wide deep night. And those stripes — they are bars of blood to any dictator who would try to change this way of life.

Just a piece of cloth, that is all — until you put your soul into it, and give it meaning. Then it is a symbol of liberty, and decency, and fair-dealing for everyone. It is just a piece of cloth until we breathe life into it; until we make it stand for everything we believe in, and refuse to live without it. Author unknown

OVERCOMER ENSEMBLE

To those who attended, this was a time to be long remembered.

CHEERLEADING RETREAT

The combination of spiritual growth, practice, and fun made our 1989 cheerleading retreat complete. While working hard to learn new cheers, the girls enjoyed hiking, bowling, volleyball, horseback riding, water-slides, miniature golf, and campfire singing. The girls were so excited!

CHEERLEADERS IN ACTION

A Hammond City Baptist cheerleader is one who cheers others in every area of life. She must be a cheerleader at home, encouraging and loving her family. At school, she cheers on others in the hallway, classroom, gym floor, and in every opportunity possible. Their spirit comes from a personal walk with God. Let's stay fired up!

'89 HOMECOMING

April is a very special month in the life of Hammond City Baptist, for it is a time that symbolizes homecoming. Excitement can be seen and felt among the student body. Cheerleaders begin preparation for half-time competition, as the basketball teams begin warming up for a super game. It is a time of getting together with all the alumni. The band plays and the game begins.

Homecoming is also a time of royalty. Priscilla Rodriguez (left) is crowned our 1989 Homecoming Queen. Alejandrina Flores (below) was first runner-up. Little Amanda Rios watches with anticipation, hoping she will one day be a cheerleader. All the excitement of the day would not have been complete, without the help of the band from Hyles-Anderson College.

JOG-A-THON

Each year the students in the intramural program participate in a five mile jog-a-thon. The activity is held at Lemon Lake. Money raised from this event aids in purchasing athletic equipment, uniforms, cheerleading supplies, and awards. All ages join together to jog the five miles.

A school year would not be complete without our five mile walk-a-thon. This activity is held each spring and is planned especially to help seniors raise money for their senior trip. Following the five mile walk, the students enjoy a cookout and games.
